Samsung Staron® Introduces Colors2U Web Site

Individual Color Samples Now Available Online

LOS ANGELES (April 2009) – Staron® Surfaces, a division of worldwide technology leader Samsung, has announced the introduction of Colors2U, a web site that provides homeowners, dealers and designers with an easy way to view and purchase Staron® color samples online.

Online at www.StaronSamples.com, Colors2U features Staron's distinctive array of acrylic surfacing materials including Staron® Solid Surface, Tempest® and Tempest Stylist. The samples are available for purchase in three different sizes – 2"x2", 2"x3" (Tempest only) and 4"x4".

The new web site provides an additional venue where Staron® color samples can be viewed; with the added convenience of being able to purchase samples online. Retail customers, as well as design professionals, can now select from more than 75 different Staron® surface colors and have them shipped directly to their door.

About Staron® Surfaces by Samsung

Staron® offers three great surfacing options – high-performance Staron® Solid Surfaces, luxurious Radianz (Staron® Quartz Surface) and the versatile Staron® Tempest. All combine natural beauty with design sensibility to offer a variety of colors and patterns. Durable, stain-resistant and hygienic, Staron® Surfaces makes the design and selection process easy. For more information about Staron and application ideas, please visit www.staron.com or call 800.795.7177.
